EMPLOYMENT

Zther Interactive - Anaheim

November 2010 to Present

Jr. Web Developer

It is my responsibility at Zther Interactive to take the designs created by the design team, and turn them in to fully functional websites. Whether it be html and css, javascript and ajax, or php and mySQLi, I get the job done, and get it done right.

Fix Auto - Westminster

August 2002 to November 2010

Detail Manager

Customer service was my top priority. It was my responsibility to detail cars, analyze and inspect finished work, answer phones, and even transport customers to and from the shop.
